

A WORLD OF SOLUTIONS

See us at the premier business event for the waste, recycling and resource recovery sector, visit The Australasian Waste & Recycling Expo (AWRE) this year in Sydney.

We're excited to exhibit at AWRE 2019 when it returns to Sydney from 30-31 October at ICC Sydney, Darling Harbour.

This two-day event is a hub of activity to discover an exciting showcase of full circle innovative products and sustainable solutions to collect, process and recycle waste more smartly. Future critical areas include Machinery & Equipment, Software & Services, Bins, Vehicles, Food & Organics and more

AWRE is a live experience promoting ideas and opportunities for Australia's waste and recycling community. Offering new connections, solutions and strategies to build a more stable, sustainable and profitable economy

For more information on what's on visit www.awre.com.au and don't forget to register online for free and quick entry!
